1 crore = 10 million

Refer to Annexure for Details of Instruments & Bank Facilities

Detailed Rationale

Crisil Ratings has reaffirmed its 'Crisil AA+/Stable/Crisil A1+' ratings on the existing debt instruments and bank facilities of GIC Housing Finance Limited (GIC HF).

Crisil Ratings has **withdrawn** its rating on maturity of non-convertible debentures aggregating Rs 325 crore on the company's request as the outstanding against the same is NIL and on receipt of confirmation from debenture trustee (See Annexure 'Details of Rating Withdrawn' for details). The withdrawal is in line with Crisil Ratings withdrawal policy.

The ratings continue to reflect the strong support expected from the promoter-shareholder General Insurance Corporation of India Re (GIC Re), and the company's adequate capitalisation. These strengths are partially offset by modest asset quality and a moderate scale of operations.

The company's net advances stood at Rs 10,212 crore as on March 31, 2025, higher than Rs 9,985 crore. The company's asset quality has improved as reflected by gross non-performing assets (NPAs) declining to 3.03% as on March 31, 2025, from 3.88% as on March 31, 2024 (4.68% as on March 31, 2023). This improvement was driven by implementation of new risk management processes. In terms of profitability, the company reported a return on assets (RoA) of 1.51% for fiscal 2025, which improved from 1.41% in fiscal 2024.

Analytical Approach

Crisil Ratings assesses the standalone credit risk profile of GIC HF and continues to factor in the strong support from the parent, considering the strategic importance of the entity, largest shareholding, shared management, and high moral obligation of the parent on account of shared name and brand.

Key Rating Drivers & Detailed Description

Strengths:

Expectation of strong support from the promoters and largest shareholder, GIC Re

GIC Re and its erstwhile subsidiaries — National Insurance Co Ltd., The New India Assurance Co Ltd., The Oriental Insurance Co Ltd., and United India Insurance Co Ltd. — together hold 42.41% equity stake in GIC HF as on March 31, 2025, while GIC-Re is the largest shareholder with 15.26% stake in the Company. GIC HF has a strong Board including CMDs of all 5 Promoter Insurance Companies where all decisions are taken collectively by the Board. Promoter Companies also depute their senior officers to GIC HF on time-to-time basis. GIC HF also derives management, operational, and financial support from GIC Re. Furthermore, given the ownership, strong board representation and shared brand name with GIC-Re, GIC HF will continue to receive managerial, operational and financial support from GIC-Re, as and when required. GIC HF will also continue to benefit over the medium term from the strong support it receives from GIC-Re in terms of ownership, common branding, and managerial inputs.

Adequate capitalisation

The company had a sizeable network of Rs 1,964 crore and overall CAR of 34.92% as of March 31, 2025 (Rs 1,829 crore and 33.56% as on March 31, 2024). As the capital cushion to manage the asset-side risk has increased, it continues to remain adequate with network to net non-performing asset (NPA) ratio of 9.66 times as on March 31, 2025 (6.68 times as on March 31, 2024). Capitalisation is expected to remain stable over the medium term.

Weakness:**Modest asset quality**

Asset quality metrics have witnessed a significant reduction in Gross NPA and Net NPA which were at 3.03% and 1.96% respectively as on March 31, 2025, as compared to 3.88% and 2.69% respectively as on March 31, 2024 (4.68% and 3.29% respectively as on March 31, 2023). Around five years ago, the company revamped its risk management systems and processes to improve its asset quality. Crisil understands that the current NPAs have been primarily from the portfolio originated prior to fiscal 2019 and recent originations have negligible delinquencies. Further, over the last couple of years, the company has shifted its focus towards home loans, particularly towards salaried customers. Since, loans against property (LAP) book also continued to witness relatively higher delinquencies. Hence, the proportion of non-salaried customers is likely to decline over the medium term. The company's ability to control slippages as the book grows will remain a key monitorable.

Moderate, albeit improving, scale of operations

The company remains a relatively modest player in the Indian housing finance industry with less than 1% market share. The gross loan book stood at Rs 10,497 crore as on March 31, 2025 (Rs 10,283 crore as on March 31, 2024). Although the loan book is concentrated in Maharashtra, the company is consciously growing its book outside the state (particularly Hyderabad, Bengaluru, and Gurgaon) to achieve better geographical diversification. Consequently, proportion of book in Maharashtra reduced to 27% as on March 31, 2025, from 30% in fiscal 2024. As compared to the last fiscal, the balance transfer (BT) outflows have declined, while inflows have increased due to establishment of BT teams. The company is also improving its portfolio, achieving higher average ticket size and following tighter credit policy.

Liquidity: Strong

Given the longer tenure on asset side, the asset and liability management (ALM) profile as on March 31, 2025, had positive cumulative mismatches in up to the 14 days bucket, excluding sanctioned but unutilised bank lines, including which the cumulative mismatches are up to the 2 months bucket. Therefore, liquidity position remains adequate supported by adequate unutilised bank lines. The company had unutilised bank lines of Rs 1,047 crore as on March 31, 2025, compared to debt repayment of Rs 2,859 crore (including Rs 650 crore in CP) over the next 6 months.

Outlook: Stable

Crisil Ratings believes GIC Re will continue to support GIC HF, and the latter will maintain adequate capitalisation over the medium term.

Rating Sensitivity Factors**Upward Factors:**

- Material increase in shareholding by the promoters/largest shareholder, GIC Re
- Improvement in market position and earning profile

Downward Factors:

- Dilution of GIC Re's ownership or material change in expectation of support from the shareholder
- Deterioration in asset quality leading to weakening of earnings profile

About the Company

GIC HF was founded in 1989 by GIC-Re and its erstwhile subsidiaries, National Insurance Co Ltd., The New India Assurance Co Ltd., The Oriental Insurance Co Ltd., and United India Insurance Co Ltd., together with Unit Trust of India (UTI), Industrial Credit and Investment Corporation of India (ICICI), Industrial Finance Corporation of India (IFCI), Housing Development Finance Corporation (HDFC) and State Bank of India (SBI), all of which contributed to the initial share capital. Later on HDFC, SBI, ICICI, UTI, and IFCI sold their holding in GIC HF and ceased to be promoters

As on March 31, 2025, the promoter group (consisting of General Insurance Corporation of India (GIC-Re), National Insurance Company Limited, The New India Assurance Company Limited, The Oriental Insurance Company Limited and United India Insurance Company Limited) held a 42.41% stake in the company, with GIC-Re (15.26%) being the largest shareholder.

GIC HF provides individual housing loans to the upper middle, middle and low-income groups in Tier-II and Tier-III cities. The portfolio mix consisted of 92% housing loans and 8% LAP, while the borrower profile comprised of 80% salaried customers and 20% non-salaried customers, as on March 31, 2025. The company has a network of 72 Offices (including Corporate Office), 3 Hubs and 5 Satellite offices) as on March 31, 2025, most of which are concentrated in Maharashtra.

Profit after tax (PAT) was Rs 160 crore on a total income of Rs 1,089 crore against Rs 151 crore on total income of Rs 1,070 crore respectively in the last fiscal year.

Commercial paper programme	1,500	1,500	[ICRA]A1+; reaffirmed
Total	16,580	12,855	

*Instrument details are provided in Annexure I

Rationale

The rating action factors in GIC Housing Finance Limited's (GICHF) improved asset quality and solvency profile. The improvement in the asset quality indicators was driven by continuous recovery efforts, strengthening of the collections team and process, including the empanelment of external agencies to make recoveries from delinquent accounts, and some write-offs. The reported gross stage 3 assets declined to 3.7% as on March 31, 2024 (4.0% as on June 30, 2024) from 4.4% as on March 31, 2023 (7.3% as on March 31, 2022). As a result, the company's solvency (Net stage 3/Net worth) improved significantly to 13.9% as on June 30, 2024 from 32.7% as on March 31, 2022. The capitalisation profile has also improved over the years, supported by internal capital generation and the moderation in the scale of operations. The gearing declined to 4.6 times as on June 30, 2024 (5.4 times as on March 31, 2023) while the capital adequacy ratio of 33.6%, as on March 31, 2024, was well above the regulatory requirement.

The ratings also consider the long track record of operations of more than 30 years, the focus on salaried home loans and the granular nature of the loan book. While GICHF had slowed down disbursements due to the Covid-19 pandemic and asset quality challenges, the same is picking up pace (YoY growth of 19% and 65% in FY2024 and Q1 FY2025, respectively) and ICRA expects the portfolio to start increasing gradually. The ratings continue to factor in the strong parentage in the form of General Insurance Corporation of India (GIC-Re) with GIC-Re and its erstwhile subsidiaries holding a 42.41% stake as on June 30, 2024. Given the ownership, strong board representation and shared brand name, ICRA expects GICHF to continue receiving managerial, operational and financial support from GIC-Re, as and when required.

The ratings remain constrained by the moderate earnings profile and relatively higher interest rate risk. Moreover, given the higher share of fixed rate loans vis-à-vis borrowings, the company remains exposed to relatively higher interest rate risk, especially in a rising interest rate scenario. GICHF reported a net profit of Rs. 151 crore in FY2024 (Rs. 39 crore in Q1 FY2025) compared to Rs. 213 crore in FY2023 (Rs. 32 crore in Q1 FY2024). ICRA expects some pressure on the net interest margin, going forward. The company's ability to manage its margins while controlling its operating and credit costs will remain important from a profitability perspective.

The Stable outlook on the long-term rating reflects ICRA's opinion that the company would be able to maintain a steady credit profile supported by its long track record, the granular nature of its loan portfolio and the comfortable capitalisation profile. Further, ICRA expects support from GIC-Re to be forthcoming, if needed.

ICRA has upgraded and simultaneously withdrawn the rating for the Rs. 225-crore non-convertible debentures as the instruments have matured with no amount outstanding against the same. The rating has been withdrawn in accordance with ICRA's policy on the withdrawal of credit ratings.

Key rating drivers and their description

Credit strengths

Established track record, focus on salaried home loan segment and granular nature of loan book – Incorporated in 1989, GICHF has a long track record in the housing finance business. As on June 30, 2024, it was operating in 21 states through a network of 71 branches and 5 satellite offices with assets under management (AUM) of Rs. 10,281 crore. While the company had slowed down disbursements due to the pandemic and asset quality challenges, the same is picking up pace and ICRA expects the portfolio to start increasing gradually. It reported a YoY increase of 19% and 65% in disbursements in FY2024 and Q1 FY2025, respectively.

GICHF's loan book is granular with individual home loans (including renovation loans) accounting for 92% of the portfolio as on June 30, 2024, followed by loan against property (LAP; the balance). Also, within individual borrowers, the company remains focused on salaried borrowers (78% of the portfolio as on June 30, 2024). Given its presence primarily in retail housing loans and the granular nature of its portfolio, GICHF's credit concentration remains low.

Comfortable capitalisation profile – The company's capitalisation profile has been improving, supported by internal capital generation and the moderation in the scale of operations. The gearing has been declining and was reported at 4.6 times as on June 30, 2024 (5.4 times as on March 31, 2023). The capital adequacy ratio of 33.6%, as on March 31, 2024, was well above the regulatory requirement of 15%. In ICRA's opinion, given GICHF's growth plans and internal capital generation, the capitalisation profile is expected to remain comfortable in the near-to-medium term. Over the long term, if the growth momentum increases considerably, the company may need external capital to maintain comfortable capitalisation levels.

Improved asset quality and solvency – With the waning of the effects of the pandemic, continuous recovery efforts, strengthening of the collections team and process, including the empanelment of external agencies to make recoveries from delinquent accounts, and some write-offs, the company's asset quality indicators have improved significantly over the past two years. The gross stage 3 assets declined to 4.0% as on June 30, 2024 from 4.4% as on March 31, 2023 (7.3% as on March 31, 2022). With an adequate provision cover of 36.6%, the net stage 3 assets were lower at 2.6% as on June 30, 2024 (2.5% as on March 31, 2024; 3.0% as on March 31, 2023; 4.3% as on March 31, 2022). Given the improvement in the asset quality, the solvency profile (Net stage 3/Net worth) improved significantly to 13.9% as on June 30, 2024 from 32.7% as on March 31, 2022. Further, ultimate losses are expected to be low, given the secured nature of the loans. GICHF's ability to control slippages while scaling up its operations and recovering from delinquent loans will be a key monitorable.

Strong parentage of GIC-Re – GIC-Re, together with its erstwhile subsidiaries (The New India Assurance Company Limited, United India Insurance Company Limited, The Oriental Insurance Company Limited and National Insurance Company Limited), held a 42.41% stake in GICHF as on June 30, 2024. Given the ownership, strong board representation and shared brand name with GIC-Re, ICRA expects the company to continue receiving managerial, operational and financial support from GIC-Re, as and when required.

Credit challenges

Moderate profitability indicators – GICHF reported a net profit of Rs. 151 crore in FY2024 compared to Rs. 213 crore in FY2023. The net interest margin compressed to 3.0% of the average managed assets (AMA) in FY2024 from 3.3% in FY2023 owing to the systemic increase in interest rates and the relatively higher share of fixed rate loans vis-à-vis borrowings. Operating

expenses increased to 1.2% of AMA in FY2024 from 1.0% in FY2023 as the company continued to recruit and invest in its systems and processes. With improved asset quality indicators, credit costs remained low at 0.1% of AMA in FY2024. GICHF reported a return of 1.4% on AMA and 8.6% on average net worth in FY2024 compared to 1.8% and 13.3%, respectively, in FY2023.

In Q1 FY2025, the company reported a net profit of Rs. 39 crore vis-à-vis Rs. 32 crore in Q1 FY2024. The overall profitability remains moderate and ICRA expects some pressure on the net interest margin, going forward. The company's ability to manage its margins while controlling its operating and credit costs will remain important from a profitability perspective.

Competitive pressure and higher interest rate risk on account of relatively higher fixed interest rate portfolio – GICHF faces competition from banks and leading housing finance companies (HFCs), primarily while lending to the salaried borrower segment. Competition is expected to remain high over the medium term, specifically in the salaried borrower segment. Further, with a higher share of fixed rate loans vis-à-vis borrowings, the company remains exposed to interest rate risk, especially in a rising interest rate scenario. Its funding mix mainly comprises long-term loans from banks (78% of total borrowings as on March 31, 2024), which are floating in nature. GICHF used to provide loans through a 61-month product, which were at a fixed rate for the stipulated initial 61-month period, with a floating rate thereafter. Though it has stopped disbursing these loans, ~30% of its portfolio, as on March 31, 2024, remains on a fixed interest rate basis. In ICRA's view, GICHF's ability to grow its book, while maintaining/improving its profitability, asset quality and solvency profile, will remain a key rating factor.

Environmental and social risks

Given the service-oriented business of the company, its direct exposure to environmental risks as well as those emanating from regulations or policy changes is not material. While lending institutions can be exposed to environmental risks indirectly through their portfolio of assets, GICHF's exposure to environmentally sensitive segments remains low. Hence, indirect transition risks arising from changes in regulations or policies concerning the underlying assets are not material.

With regard to social risks, data security and customer privacy are among the key sources of vulnerability for lending institutions as material lapses could be detrimental to their reputation and could invite regulatory censure. GICHF has not faced such lapses over the years.

Liquidity position: Adequate

As on March 31, 2024, the company held Rs. 171 crore of cash and cash equivalents, bank deposits and liquid investments. Additionally, it had sanctioned but unutilised funding lines of Rs. 984 crore as on March 31, 2024. GICHF's structural liquidity statement (SLS), as on March 31, 2024, had positive cumulative mismatches in the up to six months bucket, factoring in the lines of credit committed by other institutions. Given the relatively longer tenure of its assets vis-à-vis liabilities, the company's ability to roll over its borrowings will remain a key rating monitorable. The granular nature of the loan book and established track record of raising funds from diverse sources support the liquidity profile.

Rating sensitivities

Positive factors – A significant improvement in the scale of operations and sustained improvement in the asset quality and earnings profile (RoMA exceeding 2.5% consistently) could positively impact the long-term rating.

Negative factors – GICHF's ratings are strongly underpinned by its parentage in the form of GIC-Re. Any change in the expectation of support from the parent or a deterioration in the credit profile of GIC-Re shall negatively impact the ratings. Further, a deterioration in the capitalisation or asset quality indicators with the solvency ratio (Net stage 3/Net worth) increasing beyond 25% on a sustained basis would be a credit negative.

EXPLANATORY STATEMENT**Item No. 7: Approval for Private Placement of Redeemable Non-Convertible Debentures (NCDs)/Bonds upto an aggregate limit of ₹2,500 crores.**

As per Section 42 of the Companies Act, 2013 read with Rules framed there under and all other applicable provisions, if any, of the Companies Act, 2013, a Company offering or making an Invitation to subscribe to Redeemable Non-Convertible Debentures (NCDs) / Bonds (Secured/Unsecured) on a Private Placement basis, is required to take approval of Members by way of Special Resolution once in a year for all the offers or invitations for such Redeemable Non-Convertible Debentures/Bonds during the year.

Accordingly, seeing the long term borrowing requirement of the Company, Board of Directors in its meeting held on May 13, 2024, considered and approved the issue of Redeemable Non-Convertible Debentures (NCDs) / bonds (Secured/Unsecured) on a Private Placement basis, upto an aggregate outstanding amount ₹2,500 crores (Rupees Twenty-Five Hundred Crores only) subject to approval of Members. Accordingly, approval is sought from the members to mobilize some more funds by way of issue of Redeemable NCDs/Bonds on private placement basis. Further, SEBI vide its circular dated November 26, 2018 (now as part of SEBI Master Circular dated July 7, 2023) mandated listed Companies who are considered as Large Corporate (LC) to raise not less than 25% of its incremental borrowings, during the financial year subsequent to the financial year in which it is identified as a LC, by way of issuance of debt securities. Accordingly, our Company being a Large Corporate, is required to comply with the said SEBI Circular also.

Hence, considering the above requirements, approval of Members is being sought for issue of Redeemable Non-Convertible Debentures (NCDs) / bonds (Secured/Unsecured) on a Private Placement basis, for an aggregate outstanding amount upto ₹2500 crores (Rupees Two Thousand Five Hundred Crores only) which is within the overall Borrowing limits of the Company as approved by Members from time to time.

The terms of issue of such NCDs (in one or multiple tranches) would depend upon the requirement of the funds, time of issue, market conditions and alternative sources of funds available to the Company and would be decided by the Board or the Committee, if any constituted by the Board. All the required details/ disclosures relating to the issue would be made available in the standard regulatory disclosure document.

None of the Directors, Managers, Key Managerial Personnel of the Company including their respective relatives are in anyway concerned or interested, financially or otherwise in this resolution except to the extent of their shareholding, if any, in the Company.

The Board recommends the resolution set forth at Item No. 7 to be passed as a Special Resolution.

 - ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for quarter and year ended March 31, 2025.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ("the SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial results.

Management's and Board of Directors' Responsibilities for the Standalone Financial Results

4. This Statement have been prepared on the basis of the standalone annual financial statements. The Company's Management and Board of Directors are responsible for the preparation and presentation of the standalone financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.
5. In preparing the Statement, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
6. The Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
8. As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Company has adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors in the standalone financial results.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

11. The standalone financial results include the results for the quarter ended March 31, 2025 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion on the Statement is not modified in respect of this matter.

8. Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of the financial results of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
10. We communicate with those charged with governance of the Holding Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

12. The consolidated financial results include the audited financial results of one Subsidiary, whose financial statements, total assets of Rs. 168.70 lakhs as at March 31, 2025, total revenue of Rs. 188.63 lakhs and Rs. 573.87 lakhs, total net

Certificate on maintenance of security cover and compliance with the covenants as per the Offer Documents /Information Memorandum/Debenture Trust Deed/ pursuant to Regulation 54 read with Regulation 56(1)(d) of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations , 2015.

To,

The Board of Directors

GIC Housing Finance Limited

1. As required by Regulation 54 read with Regulation 56(1)(d) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended , GIC Housing Finance Limited ("the Company") desires a certificate regarding maintenance of security cover as at March 31, 2025 , as per the terms of Offer Document /Information Memorandum, in the form of book debts /receivables on the amounts due and payable to all secured lenders in respect of listed debt securities ("Secured Lenders") issued by the Company including compliance with all covenants of such Offer Document / Information Memorandum/ Debenture Trust Deed, in respect of listed debt securities.

This certificate is required by the Company for the purpose of submission to the Debenture Trustee of the Company to ensure compliance with the SEBI Regulations and SEBI Circular SEBI/HO/DDHS/P/CIR/2023/50 dated

March 31, 2023 ("the circular") in respect of its listed non-convertible debt securities as at March 31, 2025 ("Debentures").

Accordingly the management of the Company has prepared accompanying statement ("**Annexure II**") in a format required as per the Circular, containing the details of the security cover available for debenture holders in accordance with the audited financial statements as at March 31, 2025 and other relevant documents/records maintained by the Company.

2. Management's Responsibility

The Management of the Company is responsible for

- a. The preparation ,of the accompanying Annexure II from audited Ind AS Financial Statements of the Company as at March 31, 2025 and other records maintained by the Company is the responsibility of the Management of the Company ;
- b. Ensuring maintenance of the security cover available for debenture holders is more than the cover required as per the Offer Document /Information Memorandum in respect of listed debt securities ;
- c. Accurate computation of security cover available for debenture holders based on audited financial statements of the Company as at March 31, 2025;
- d. Compliance with the covenants of the Offer Document/Information Memorandum/Debenture Trust Deed in respect of listed debt securities;
- e. Preparation and maintenance of proper accounting and other records and design, implementation and maintenance of adequate internal procedures/systems/processes /controls relevant to the creation and maintenance of the aforesaid records.
- f. Completeness and accuracy of the identification of covenants as per the Offer Document/Information Memorandum in respect of listed debt securities.

This responsibility includes ensuring that the relevant records provided to us for our examination are correct and complete.

3. Auditor's Responsibility

Our responsibility is to provide limited assurance in form of conclusion based on the examination of audited Ind AS financial statement for the year ended March 31, 2025 and other relevant records maintained by the Company as to whether anything has come to our attention that causes us to believe that amounts appearing in the Annexure II are incorrectly extracted from audited Ind AS Financial Statements for the year ended March 31, 2025 and other records maintained by the Company and whether security cover available for debenture holders has been maintained in accordance with Offer Document /Information Memorandum/Debenture Trust Deed in respect of listed debt securities.

Our responsibility is also to provide limited assurance that prima facie the company has complied with the all covenants mentioned in the Offer Document /Information Memorandum/Debenture Trust Deed in respect of listed debt securities.

For this purpose, we have

- a. Obtained and read the Debenture Trust Deed and Information Memorandum in respect of secured Debentures and noted the security cover percentage required to be maintained by the Company in respect of such Debentures and all covenants applicable to the company,
- b. Traced whether amounts mentioned in Annexure II have been correctly extracted from audited Ind AS Financial Statements for the year ended on March 31, 2025 and other relevant records maintained by the Company.

- c. Verified the supporting documents of Compliance with covenants.

The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

We conducted our examination of the **Annexure II** in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.

- a. The amounts appearing in the Annexure II are incorrectly extracted from audited Ind AS Financial Statements for the year ended on March 31, 2025 ;
- b. The security cover available for debenture holders is not maintained as per the cover required in the Offer Document /Information Memorandum/Debenture Trust Deed in respect of listed debt securities and ,

- c. That Company has not complied with the All Covenants of the Offer Document /Information Memorandum/Debenture Trust Deed in respect of listed debt securities.
